

Reporting a Zoonotic Disease Online

HKPR has launched an online form for reporting suspected or confirmed animal cases of Avian Influenza, Novel Influenza, Avian Chlamydiosis, and Echinococcus Multilocularis.

To report online:

1. Go to HKPR’s website at www.hkpr.on.ca
2. At the top of the page, click on Businesses, Partners, and Professionals
3. Navigate to the page “Veterinarians.”
4. Click the “Zoonotic Disease Reporting Button”

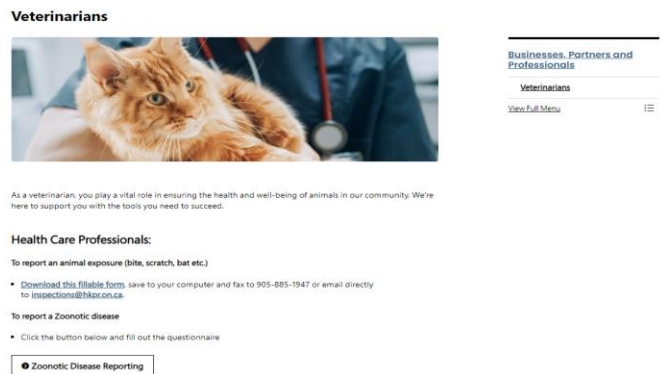

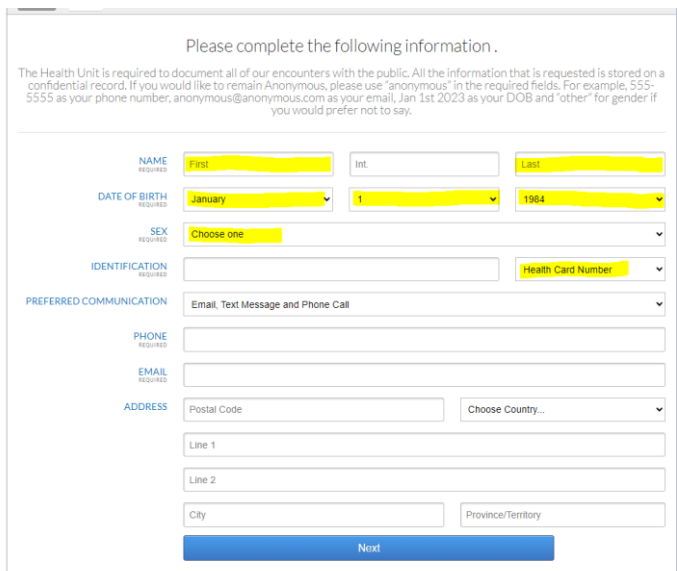

Figure 1

5. Fill in the highlighted information (figure 2)
 - a. Name: Use Name of your Practice as First name and your county as Last name (see example below)
 - i. First name: Rose Vet Practice
 - ii. Last Name: City of Kawartha Lakes
 - b. Birth Date: Use “January 1st, 1924”
 - c. Sex: Change to “Other”
 - d. Identification: Change to “Client ID”
 - e. Fill in all other required information

The image shows a screenshot of the online reporting form. The form is titled 'Please complete the following information.' and includes a disclaimer: 'The Health Unit is required to document all of our encounters with the public. All the information that is requested is stored on a confidential record. If you would like to remain Anonymous, please use "anonymous" in the required fields. For example, 555-5555 as your phone number, anonymous@anonymous.com as your email, Jan 1st 2023 as your DOB and "other" for gender if you would prefer not to say.' The form fields are: NAME (First, Int., Last), DATE OF BIRTH (Month, Day, Year), SEX (Choose one), IDENTIFICATION (Health Card Number), PREFERRED COMMUNICATION (Email, Text Message and Phone Call), PHONE, EMAIL, ADDRESS (Postal Code, Choose Country, Line 1, Line 2, City, Province/Territory). A 'Next' button is at the bottom.
